

Design a Bag

WITH ANDREA

PROTOTYPE SPECIFICATIONS

Join me Friday, Aug. 27 at 12 p.m. ET for the prep party
& Saturday, Aug. 28 at 10 a.m. ET for the live sew along!

In regards to cut measurements --- here's what we have so far:

Front / Rear Body 14" x 17" (4) tapered 1" in to 6" down at the sides

Side Panels 6" x 14" (4) tapered 1" in to 6" down at the sides

Base Panels 6" x 17" (2)

Exterior Pockets 9" x 17" (4)

Interior Zip Pocket 9" x 17" (2)

Zipper Trim Interior Pocket 4" x 17" (1)

Interior Elastic Pocket 18" x 21" (1) Foldover style

Key Fob 3" x 9"

Zipper Gusset 5" x 17" (2)

Pre-made Webbed Handles

The finished measurements on this bag are approximately:

12" tall

5" deep

16" across the base

14" across the top

- Inside we have a full length zipper pocket with swivel fob and 3 elasticized pockets.
- Outside there are two larger slip pockets on the front and two on the rear.
- The zipper top is recessed with two tabs at the end so you can access the contents with ease. It is not attached to the sides; but, does offer a great deal of security as is.
